<u>TOPIC</u>	<u>NOTES</u>	<u>FOLLOW UP</u>
217– Graduation	Dr. Davidheiser noted that Policy 217, 217.1, 217.2 and 217.3 deal with graduation requirements and the different ways credit can be awarded to students. The policies have been thoroughly reviewed by the Curriculum Supervisors, and they are recommending Policies 217.2 and 217.3 be collapsed into one– current Policy 217.1. Mrs. Collopy expressed concern that the policy does not allow a student to get credit for courses in a subject that the district does not offer, for example a World Language course the district does not provide. Dr. Davidheiser noted that certifying a student for graduation requires fidelity to the CB curriculum while allowing students to accelerate through the curriculum.	Tabled for further review
