

Quick Guide:  
Adding items to your side

Step 4: Click "+Add App"

Step 5: Fill in the fields:

Name: Enter the name you want to appear on the side navigation

URL Redirect: Enter the Website.

Click Show in Course Navigation.

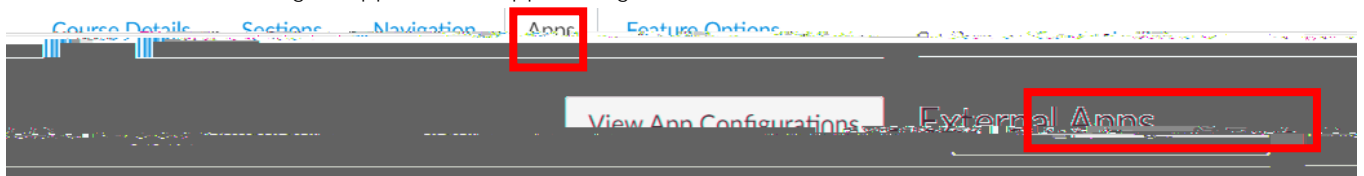

Click Add App.

A screenshot of the 'Add App' dialog box. The dialog has a title bar with 'Add App' and a close button. Below the title bar, there are several fields and options:

- A 'Name' field with the text 'Desmos' entered. A red box highlights this field.
- A 'URL Redirect' field with the text 'https://www.desmos.com/calculator'. A red box highlights this field.
- A checkbox labeled 'Force open in new tab (For External Links Only)'. A red box highlights this checkbox.
- Three checkboxes: 'Show in Course Navigation' (checked), 'Show in Account Navigation', and 'Show in User Navigation'. A red box highlights the 'Show in Course Navigation' checkbox.
- At the bottom, there are buttons for 'Close' and 'Add App'. A red box highlights the 'Add App' button.

Notes:

< To edit the fields: Settings – Apps – View App Configuration

< If you do not want the site to open in a new tab, delete new\_tab=1
