ALICE Training

Current:

Lock doors

Cover hallway windows

Lights out

Hide out of sight

Why ALICE training?

Changes in Best Practices have occurred nationally for intruder on campus procedures

ALICE is a set of proactive, options-based strategies that incorporates recommendations from:

- Department of Homeland Security (DHS)

- Federal Emergency Management Agency (FEMA)

- US Department of Education

- Multiple law enforcement agencies

Why ALICE training?

Developed by a police officer and elementary school principal (husband and wife) to improve school safety

Currently used by:

4,600 schools

3,300 Police Departments

4,000 Businesses

Why ALICE training?

ALICE teaches individuals to be active participants in their own safety, while leading others to safety when possible

Although no program can guarantee success in this type of situation, these new protocols will increase the odds of survival in this type of emergency
