

Dear 5K,

Welcome to FIFTH GRADE! I am so excited to be your teacher next school year and I look forward to having YOU in my class! I cannot wait to get started on our path of learning together beginning Tuesday, September 3rd!

I am so thrilled to have you in my classroom! I love to learn and hope my enthusiasm for learning and using technology is contagious. I have four children, Kevin who is twelve years old. Caroline and Brendan are twins who are currently 9 years old. My youngest, Olivia, just turned 7 years old! Mrs. Kelly and my kids are the “smile of my heart,” and I will be sure to share some

General First Day Information

Please email me at skelly@cbsd.org the following information as soon as you can so I can create an email address book for our classroom. This will allow me to send information electronically in a timely way including over the summer!

Student and Family Name – Please tell me the preferred spelling and pronunciation of their name.

Email Addresses - I will be creating an electronic mailing service for general communications (you can send me more than one address). I am really encouraging the use of email communication as it is quick and direct. If you do not have Internet access, please write me a note. I will send home important updates via your child's homework folder and assignment book.

Homework Buddy - reliable and dependable contact person to bring home assignments when your child is absent. I need to know the child's name and their homeroom teacher. If you wish to pick up assignments at the office, please indicate that preference.

Means of Transportation - Bus (include number if possible), Car, Walker

Other information you feel would be valuable - I would love to hear from you and hear about your summer and about the excitement you have for the upcoming school year. You could also add your summer story or excitement for the upcoming school year on the guest book page of our website. I
