INFORMA CUSSION

**Course of Study for French I**—Stacy Gray, Coordinator of World Language, presented this revised course of study. French teachers have been revising for two years and selecting the textbook. The course addresses four strands which reoccur throughout the lessons: French Basics, Social and School Life, Home Life, and Shopping. The essential questions and enduring understandings as required by the Understanding by Design reinforces the ACTFL (American Council on the Teaching of Foreign Language). Standards of Cultures, Connections, Comparisons, Communities.
